REVIEW OF FHA

LOAN GUIDELINES

• I would have liked to have purchased a real heirloom version of the Night Before Christmas. This book is good value for the money paid. There could have been more coloured pictures and the binding could have been of a more

exquisite quality. But as I already said, still good value for money. A lovely keepsake of a wonderful time in a child's life.

• The best illustrations for this classic poem I've ever seen! Wonderful large format - perfect for reading aloud.
