REVIEW OF IB BIOLOGY COURSE BOOK OXFORD IB DIPLOMA PROGRAM

- This is another beautiful story from the magical pen of Judith Lansdowne. As with her other wonderful Regencies, this story is told with fluid style and grace. It is quite unusual as the hero spends a great deal of his time bedridden and it is

through the other charming and loveable characters that you get to know and dearly love our hero, the Earl of Wright (Jocelyn). This is a touching novel filled with humour, wit, and stunning characterizations. You will want to read this one over and over.. A real keeper! (I don't think Judith Lansdowne could write a bad novel even if she tried! What a wonderful storyteller!

- As a regular attendee to University of Michigan football games i can tell you that in Ann Arbor, MI, Tailgating is a religion. The spreads that some people lay out are fit for an expensive buffet. This great book contains some 90 plus

recipes that run the range of the very simple such as beer brats, burgers and ribs, to exotic seafood dishes, and everything in between including dips, salsas, salads (the Chinese noodle salad is wonderful!), drinks, and desserts. There's also a great recipe for Philly cheesesteaks. Joachim not only includes recipes but full menus, tips for planning your tailgate including ingredient checklists, tips for eating healthy at the tailgate (even if that seems to be a contrast), and information about choosing the best cooking and storage equipment. All in all a very complete guide to tailgating.
