REVIEW OF ADVANCED SEMICONDUCTOR FUNDAMENTALS INSTRUCTOR MANUAL

- Dr. Steven Hairfield, I think, seems to

have a deep understanding of the teachings of Jesus. Which to me is quite remarkable since he started out a Buddhist. I'm a Buddhist monk and enjoyed this book a lot. I believe both Jesus and the Buddha had their teachings undermined by the religious authorities, who somehow, maybe on

purpose, lost the original meanings. Dr. Hairfield, at least with this book, brings those teachings back to maybe their original intentions.

- anne bronte is the easiest to read of all the bronte women. this semi autobiographic book is multilayered and interesting.
