REVIEW OF TEACHERS COLLEGE READING AND WRITING PROJECT BENCHMARK

- As the title says. This book was one of the best books I have ever read. I was hooked from the moment I started reading. Buy this book !
- I've read all of the Midford series and enjoyed all of them. However, I suppose my expectations were too great for this last book of the series. To me, this book was the least

enjoyable. Too many new characters and too much mountain talk. Just got boring after a while. I would still buy this book though and I'm so sorry to see this series come to an end. I feel that I am losing some old and cherished friends. Jan Karon is a great writer and in my mind she is Cynthia Kavanaugh!
