REVIEW OF KINNS MEDICAL ASSISTANT STUDY GUIDE EDITION 12 ANSWER KEY

- I had such high hopes. I love to read and had never gotten to the book after enjoying the movie repeatedly for so many years. Except for the middle of the book which has the actual story that was used for the movie, it's all BS. A bunch of stuff that means nothing. It doesn't even set up the story like another more favorable reviewer said. It is just a huge waste of time. And though I love to read, I do read slow and I felt like this author was just playing a big trick on me. So kudos for the part that was an actual story. Big fat boos to the rest of it.

- The Princess Bride is a book about plain and clear true love. It tells the story about how much two people can love each other. A young girl named Buttercup becomes the most beautiful girl in the world. She can have any man she wants but she chooses a poor farm boy named Weasly. It may sound like a silly choice but she loves him as much as he loves her. Then a tragedy occurs and her love is thought to be lost forever. She dies in her soul and decides to marry a rich but evil prince. What has happened to her love, Weasly. Will she marry the evil prince? What lies ahead in Buttercup's future? This book will make you laugh and make you cry. The author blends humor with love to make a wonderful and touching story.
