 Press

In July 1917 Ford Motor Company  
 introduced a one-ton chassis for  
 commercial trucks, marking what many  
 historians feel was its official entry into  
 the dedicated truck business. Prior to  
 this the company had offered  
 commercial cars, including depot hacks  
 and delivery van bodies mounted on its  
 standard passenger car chassis. Dealers  
 had also offered small after-market  
 pickup beds that could be placed on the  
 rear of a Model T car to convert it to a  
 pickup. But with the debut of the rugged  
 Model TT truck chassis, Ford was firmly

in the truck market. Eight years later it introduced its first factory-produced pickup, a sturdy half-ton job that met with great acceptance. During the century that has passed since that first Ford truck chassis, the F-series has become the best-selling truck in the world, and the best-selling vehicle of any type in America. Every year the company sells over 700,000 F-series trucks, and well over 1.5 million trucks of all types, just in the U.S. It's an amazing success. Ford Tough: 100 Years of Ford Trucks tells the entire Ford truck story from the very beginning, when Ford got its start in truck production. This book provides the history of the wide array of models Ford has built over the past century, including the Model A roadster pick-up, stylish 81C pickups, legendary

1948 F-1, Bronco, Courier, Ranchero, Econoline.

There are certain books of the Bible that just seem to stand out and the Gospel of John is surely one such book. It is frequently the first book of the Bible we encourage non-Christians to read in the hope that its message will lead them to faith in Christ. After all, that is the purpose of the book. See John 20:31.For Christians, the Gospel of John is a source of much truth about our Lord and the

Gospel. But it is much more than that. It is an opportunity for us to follow Him as we read, and to identify with the disciples as their knowledge of Him continues to expand. It is our opportunity to get to know the heart of the Savior, and to fellowship with Him through His Word. If men of old found their hearts set on fire as they listened to Him teach in person (Luke 24:32), so we will find our hearts warmed as we seek to listen to Him through this Gospel.I challenge you to join me in making the Gospel of John the subject of your study. May God use it to help you see and serve Jesus Christ as the Lamb of God, who takes away the sin of the world (John 1:29).

Two Great Trucks  
The 1940-1941 Ford Pickup Booklet

#### **The 1940-1941 Ford Pickup Booklet**

Learn how to rebuild and upgrade your Buick Nailhead with the first book ever dedicated to the subject! In this all-new book from Nailhead racer and veteran engine builder Gary Weldon, you will learn everything you need to know about how to rebuild and upgrade the venerable Buick Nailhead engine. Weldon takes you through each step, including a review of the birth of the Nailhead, the benefits of its unique design, serial and casting number information to source and identify the

best project, and a history of the engine in development. Also covered are the processes of rebuilding, including disassembly, inspection, sourcing the best parts, making critical upgrades, reassembly, and break-in. Of course, all the machine shop work is covered, and practical advice on building engines for competition is provided. The Nailhead was a throwback to the early overhead-valve engine design, and that unique design makes it a popular choice for period-correct hot rod projects. In addition, if your torquey Nailhead resides between the fenders of a Buick Special, LeSabre, Invicta, Roadmaster, Riviera, Century, Skylark, Wildcat, or Electra 225, this book will help you keep that old beauty on the road.

A Complete Restatement of the Entire

American Law as Developed by All Reported Cases

Few new engines in automotive history have been as quickly embraced by performance-minded gearheads as was Ford's V-8 in 1932. Deuce roadsters were racing—and winning—almost as soon as their fenders could be unbolted. When the new L-head version was released motorists of nearly all stripes came to embrace the affordable engine that gave Ford cars performance to equal cars costing several times as much. Ford's vision—and gamble—paid off handsomely and set Ford apart from his competitors. More than two decades would pass—a veritable eon in the automobile industry—before another engine would offer the excitement generated by Henry Ford's beloved flathead V-8. This is the

ultimate resource for the Ford flathead V-8 engine. It guides readers through everything from engine architecture to selecting the right engine for the right project, building and rebuilding the engine, and buying a crate engine. Whether you're looking to hot-rod or restore your flathead, this book is a required addition to your workbench.

changes, options, specifications and the unique appeal of Ford's limited-edition and high-performance pickups are hundreds of illustrations, nearly all in color.

## **REVIEW OF 1940 FORD TRUCK PICKUP V 8 85 HP 95 HP FLATHEAD S INSTRUCTION OPERATING 40**

- With his new memoir, *Sex Priest*, Robert Cromeo has done the churches a great service. He has opened up the private and personal life of a priest [his own] with unflinching honesty. He has neither minced words or glossed over events in describing his own sexual experience. It has been said that a person's unacknowledged shadow side

will rise up destructively. The unacknowledged shadow side of an organization or system will do the same. For centuries the church has been undermined by sexuality hidden in the shadows of its life. It began, in all likelihood with the story of Adam and Eve. In the myth, nakedness and thus sexuality are signified as shameful; to be concealed, denied and repressed. Through history the churches have relegated the wonders of lust and sexual delight to darkness, sin and shadow. It is more than disastrous to note that women and women's sexuality have been cast into the same shadow as well. Since shame is more to be feared than death, there is great pressure to deny the existence of experiences that are, de jure, shameful. Once, however, that

which has been driven into the shadow is seen for what it is, is self-confessed and welcomed into the fullness of one's persona, the healing energy that has been suppressed will emerge and new strength become available. It does take enormous energy to keep the shadow secret and conceal the behaviors that emerge from the hidden shadow. I have been a priest for 50 years and have contended with the sexual gyrations of clergy literally hundreds of times beginning in seminary and continuing through the years. From sad experience I know that the Roman Catholic Church has no monopoly on covering up clergy sexual problems. Protestant and evangelical hierarchs are as adept at the process as Roman Archbishops. The strategies are the same: Denial: It didn't

happen. Admission 1: It did happen, but it was all in their minds. Admission 2: It did happen, it was real, but it's insignificant. Admission 3: It did happen. It was real and significant. We'll transfer the poor culprit and/or refer it to an expert. Robert Cromey's candor may open the gates to allow other clerics to identify, accept and integrate their sexual shadow sides. Sadly, it is unlikely that it will enable the church as a system to become more open, honest, and straightforward about all the dimensions of sexuality. Their first reaction will be to condemn Robert as an exception and renegade. They will call him eccentric, an aberration. Those deepest into denial will seek his excommunication/banishment. Sex Priest also reveals the passion for justice that

has ruled Robert's life. He has been an unflinching minister and healer for those who have been marginalized because of their class, their race, their poverty, their gender, or their sexual orientation. He has embraced them all, welcomed them into his congregations and taken to the streets and City Hall in their cause. Thanks, Robert. A warning: Sex Priest is rated XXX for sexual language. Be honest! You talk the same way in private.

- The Truth About Breast Cancer is a thorough book about overall health in

general and very in depth regarding Breast Cancer prevention. It will be a valuable asset in everybody's library - whether for yourself or as a gift. Keon details many facts and figures that will astonish most readers. The tone of this book is urgent yet not suffocating.
