REVIEW OF AFFORDABLE CHICKEN RECIPES BOOKLET

ALL YOU

- I read this book several years ago when I was just beginning to explore metaphysics. I didn't understand everything in it; the book is rather technical and quite esoteric. Nonetheless, it was a fascinating read, and the book affected me on an energetic level in ways I cannot explain. I was just beginning to open to channel around this time, and reading this book bumped up my vibration and opened up my frequencies in remarkable ways. Few books have ever had such a profound effect on me. I believe it was a crucial tool on my path to becoming a channel myself.

- Sunny Randall, P.I. is a whole wonderful new(hopefully) series of her own. As a major Parker fan, I can't wait for each new book. I was not dissapointed with this one either. Yes, it's different, well guess what so is the whole male/female race. I really enjoyed the new cast of this book, "luded" the dog. Found it very interesting, that she had married & divorced "one of the bad guys". I hope there will be more Sunny Randall books. As all of Parker's books I found this fast paced, entertaining, quick read.
