So what are you waiting on? Begin your Academic Writing 3 Answer Key downloading and install journey today and experience all the benefits and benefit that the digital globe of publications has to provide!

REVIEW OF ACADEMIC

WRITING 3 ANSWER KEY

- Jane Eyre is an unusual, mysterious and refreshing love story. Right from the start Jane's suffering sets the tone for the novel. Jane is mistreated by her aunt Mrs. Read and abused by her cousins. When Jane is sent to the charity school Lowood, her life is not much better, as the neglectful school is a brutal place to grow up. Sad, plain and orphaned, Jane is a new kind of heroine. Jane Eyre is not the beautiful, perfect and delicate character dominates fairy tales. After years of watching Disney's various versions of handsome Prince Charming fall in love with a beautiful girl whom misfortune has befallen, Jane is most certainly a welcome change. After surviving an epidemic of typhus, near

starvation, intense cold and chilblains, she certainly makes Sleeping Beauty look pretty pathetic for fainting at the prick of a needle. Indeed, Jane's life begins as more of a tragedy than a fairytale. However, her story really begins when she leaves Lowood and becomes a governess at Mr. Rochester's Thornfield. When Jane first encounters Mr. Rochester, she is happy to help him and feels comfortable doing so. As Jane and Mr. Rochester talk and spend time together, their love for each other grows. Despite the presence of haughty and beautiful Blanche Ingram, Mr. Rochester and Jane become engaged. At this point in a typical love story, the couple would be married and live happily ever after. However, in Charlotte Bronte's Jane Eyre Mr. Rochester's mysterious past seizes

the fairy tale moment to reveal itself and haunt the happy couple. This portion of the book is a bit long but is pleasantly new, as Mr. Rochester is a welcome substitute for the ubiquitous Prince Charming. Rochester is not handsome or young, instead he is bad tempered and is rescued by Jane more often than he does any rescuing of his own. It is very rare to find a novel with such fresh characters, and it's bracing that the book is not dominated by excessively beautiful people. Rather, Jane and Rochester are easy to relate to. After the marriage ceremony is interrupted and Rochester shows Jane his wife Bertha, the novel slows to about the pace of a sloth. Charlotte Bronte's novel would have benefitted greatly from an aggressive editor who could have cut

about a hundred pages out of the book. Jane makes the dramatic and frustrating decision to leave Thornfield, and preserve her honor as well Mr. Rochester's. At this point in the book the level of my admiration for Jane plummeted along with my interest in the story. As starving Jane wanders through the wilderness in apparent agony over a decision she made of her own free will, she happens to stumble on the home of her distant relatives. After recovering, and beginning a job as a teacher she receives an inheritance from a long lost uncle. Unable to suppress her curiosity as to what had become of Rochester, and receiving no response from Mrs. Fairfax, Jane searches for her beloved Mr. Rochester. As the novel ends, it regains its excellence with the sweet

reunion of Jane and Mr. Rochester. Although Rochester is crippled and blind, the story gets its long sought after happily ever after. Jane and Rochester are unusually fascinating characters, who make a more lasting impression than their beautiful fairy tale

counterparts.

- I purchase Jane Eyre on a whim. Wanted to get out of the genre I had been reading and decided on a classic. Maybe it is because it is out of my "comfort zone" but I could not get into reading this book.
