REVIEW OF HTC WILDFIRE HELP GUIDE

- I got this for my daughter she had to do a book report on a historical fiction book, she loved this book just as I did at her age.
- Katherine Taylor (Kit) is a fancy girl from Barbados going to live with her aunt and uncle in New England. When her grandfather died, she had to leave her life from swimming in the ocean to cold winters in Conneticut.I loved reading this book but sadly if you wanted a book about the Salem Witch trails, you may be disapointed with "The Witch of Blackbird Pond". Witches and trails do play into the storyline, but only briefly. None the less, it's a great action/adventure/romance which you'll want to read again!
