Bear in mind, checking out evaluations can aid you make educated decisions concerning what to check out next and can expose you to brand-new writers and styles you might not have actually considered in the past.

## REVIEW OF SAMPLE PROJECT PLAN DOCUMENT

- Miriam Jacobson rejects the match made for her by her parents with Isaac Cohen and humiliates Isaac by her rejection. For nine years she travels across Europe with her uncle who is a medical man and her faithful servant, Hannah. When her uncle dies Miriam finds herself stuck in Europe because of the war with Napoleon until she is offered safe passage home if she will travel first to Spain with a consignment of gold for Wellington's army. Miriam agrees and finds herself on a coach journey across France with Felix Lord Roworth and the same Isaac Cohen she rejected nine years ago. I found this book did not hold my attention quite as much as other Regency romances by this author have done. It is just as well written and the plot is interesting but there was

something lacking and the book did not quite gel for me. I sympathised with Miriam's impatience with the restrictions placed on women at the time and I liked the way the four travellers gradually settled into a workable relationship. Maybe I was in the wrong mood for this particular book and it will not stop me reading others by this author.

- Having never read a Susan Andersen book before, my attention was caught by the unusual cover. Thinking nothing to lose, I bought the book and prepared to read "just a couple of chapters before going to sleep." Well forget the sleep, I finished the book through the wee hours of the morning. It was funny, a warm love story and had a plot - sometimes hard to find in romance novels today. "Baby, I `m Yours" is an easy reading book and will be enjoyed by all romance novel enthusiasts.
