REVIEW OF ORACIONES MILAGROSAS Y PODEROSAS ORACION PARA ALEJAR LO

- This was the worst book in the entire Nightworld series! Not only was Gillian a weak, little mouse of a character, who didn't even see that her "angel" was a complete psychotic jerk when it was obvious, but she defined herself through what others thought of her. She couldn't be strong and stand up for herself until she was popular. In addition, her 'soulmate', David was a joke! In all other books, the Soulmate Principal is described as falling into each others' minds, being able to see each others' very essences and being completely connected to them. However, the only reason David liked Gillian was because she suddenly dressed with a little more style and she got a new haircut. Right....very romantic...I can just here the sentimental music swelling in

the background..The "hero" of the story's only motivation for loving the heroine is that she's hot. Great.Compared to the other books in the series like, "Black Dawn", "Soulmates", "The Chosen", "Witchlight" and especially "Daughters of Darkness", "Dark Angel" is a complete waste of your time.

- The Viking lander in the 70's proved there was no life on Mars. If you just

forget that while reading this book you will enjoy it from beginning to end. Gods of Mars takes place ten years after the first John Carter Mars book, A Princess of Mars, but you really don't have to read it to enjoy this one. Another note, this there is a John Carter of Mars movie in the works due out some time in 2006-(7?). Check out this imdb link to learn more:<http://www.imdb.com/title/tt0401729/>
