FREE HYENA JUDE ANGELINI BOOK RECAP: UNLOCK YOUR FOLLOWING LITERARY JOURNEY WITH OUR CONCISE REVIEWS

[Don't Drink and Tweet](#) Simon and Schuster

The first in-depth biography of Nipsey Hussle, the hip hop mogul, artist, and activist whose transformative legacy inspired a generation--before he was tragically shot down in the very neighbourhood he was dedicated to building up.

The Complete Guide to Attracting, Identifying, and Enjoying Hummingbirds Harper Collins

Buck Wile is a freak's freak. Buck Wile asks, "Why am I always running down the street butt a\$\$ naked? Biatches, hoes, studs, and niggas can muck up my day. All I want to do is make love like I was born and gifted to do." Stories about the jams Buck Wile gets into because of "Ol' Eleven." Can a Black man get any love? Not if he's Buck Wile. Ladies will hate to love Buck Wile, but can't help themselves. Brothers will want to create their own Lady Cop fantasies after reading "lady Officer." If you see a dude running down the street naked, shout out, "Hey Buck Wile!" Excerpt: And I'm going to sue that singer Charlie Wilson too. He's the one who

put the notion in my head about going out to the mall and meeting some chicks. And just like he sung, there she was sitting in the food court sipping lemonade. Well my mama had been riding my butt about me needing a job, so I said, let me kill two birds with one stone and go fill out some job applications and see some fine women too. I had on my nice blue business suit when I introduced myself. She was coy and pretended to be uninterested, but I made sure my eleven was nicely outlined in my pants as I sat down at her table. I told her I was into investments. That's not a lie. I spend a lot of time in the study of making money. Me and an older chick spent a weekend down at the casino investing her husband's money. She told him she had gone to Louisiana to attend her aunt's funeral. Well she did go to the wake. But that's another story. So my girl sipped her lemonade. I asked her name. She said, "Celie." "What kind of countrified name is that?" I blurted out before thinking. "So. My mama liked the Color Purple when she was carrying me. If you don't like my name, you sho ain't got to call it. It's plenty other women out here with prettier names looking for some broke busters." You may have purchased this when it was authored under the name Buck Wile. If so, thank you. New readers and fans of Charles Harvey, please enjoy.

Rapper Gucci Mane takes us to his roots in Alabama, the streets of East Atlanta, the trap house, and the studio where he found his voice as a peerless rapper. He reflects on his inimitable career and in the process confronts his dark past -- the murder charge, years behind bars, addiction, career highs and lows -- the making of the Trap God. It is one of the greatest comeback stories in the history of music. -- Adapted from book jacket.

Why Men Fight When All Is Lost Simon and Schuster

A collection of autobiographical stories, told with brutal honesty and dark humor, from one of the top hip-hop radio hosts on SiriusXM. Taking you on a journey of heartbreak, depravity, and hilarity, Hyena deftly moves between Jude Angelini's adult life to his childhood growing up in a factory town outside of Detroit. Exploring drugs, sex, and the human condition, these stories also captures the hardscrabble culture, language, and landscape of post-industrial Detroit, from which came some of pop culture's most compelling artists.

Champion of the Graphic Novel Hodder & Stoughton

"Anna Shinoda's deeply informed story is not to be missed." —Dr.

Drew Pinsky, Celebrity Rehab and Teen Mom Family secrets cut to the bone in this mesmerizing debut novel about a teen whose drug-addicted brother is the prodigal son one time too many. There is a pecking order to every family. Seventeen-year-old Clare is the overprotected baby; Peter is the typical, rebellious middle child; and Luke is the can't-do-wrong favorite. In their eyes, they are a normal, happy family. But sometimes it's the people who are closest to us who are the hardest to see. Clare loves her older brother, Luke—it's not his fault that he's always in the wrong place at the wrong time. Life as Luke's sister hasn't been easy—their community hasn't been nearly as forgiving of his transgressions as she and her parents are—but he's done his time and is on his way home again, and she has to believe this time will be different. But when the truths behind his arrests begin to surface, everything Clare's always known is shaken to its core. Clare has to decide if sticking up for herself and her future means selfishly turning her back on family...or if it's the only way to keep herself from drowning along with them.

COMPREHENDING PERSONALITIES IN FREE HYENA JUDE ANGELINI BOOK

A True Story Rare Bird Books, a Vireo Book

"A philosophical and spiritual defense of the premodern world, of the tragic view, of physical courage, and of masculinity and self-sacrifice in an age when those ancient virtues are too often caricatured and dismissed." —Victor Davis Hanson Award-winning author Michael Walsh celebrates the masculine attributes of heroism that forged American civilization and Western culture by exploring historical battles in which soldiers chose death over

dishonor in *Last Stands: Why Men Fight When All Is Lost*. In our contemporary era, men are increasingly denied their heritage as warriors. A survival instinct that's part of the human condition, the drive to wage war is natural. Without war, the United States would not exist. The technology that has eased manual labor, extended lifespans, and become an integral part of our lives and culture has often evolved from wartime scientific advancements. War is necessary to defend the social and political principles that define the virtues and freedoms of America and other Western nations. We should not be ashamed of the heroes who sacrificed their lives to build a better world. We should be honoring them. The son of a Korean War veteran of the Inchon landing and the battle of the Chosin Reservoir with the U.S. Marine Corps, Michael Walsh knows all about heroism, valor, and the call of duty that requires men to fight for something greater than themselves to protect their families, fellow countrymen, and most of all their fellow soldiers. In *Last Stands*, Walsh reveals the causes and outcomes of more than a dozen battles in which a small fighting force refused to surrender to a far larger force, often dying to the last man. From the Spartans' defiance at Thermopylae and Roland's epic defense of Charlemagne's rear guard at Roncevaux Pass, through Santa Anna's siege of the Alamo defended by Davy Crockett and Jim Bowie to the skirmish at Little Big Horn between Crazy Horse's Sioux nation and George Armstrong Custer's Seventh Cavalry, to the Soviets' titanic struggle against the German Wehrmacht at Stalingrad, and more, Walsh reminds us all of the debt we owe to heroes willing to risk their lives against overwhelming odds—and how these sacrifices and battles are not only a part of military history but our common

civilizational heritage.

Firewalker Abrams

Hyena Simon and Schuster

Where Do I Begin? Timber Press

I'm a Witch and Witches burn. Lily is back in her own universe, and she's ready to relax with Rowan. True, she almost died in the Pyre that fueled their escape, and must hide her magic for the safety of the world, but compared to fighting the monstrous Woven and leading armies in the alternate Salem, life is looking good. You think I'm a monster, but my choices, as ruthless as they seem, are justified. Unfortunately, Lillian, ruthless ruler of the 13 Cities, is not willing to let Lily go that easily. If she can't

persuade Lily to return to her world, she'll have to find a way to make her come back. Picking up right where *Trial By Fire* left off, *Firewalker* is another sexy, fast-paced, heartbreaking thrill ride from internationally bestselling author Josephine Angelini!

Double Cup Love Nation Books

International bestselling author Josephine Angelini concludes her action-packed *Starcrossed* trilogy with *Goddess*—a romantically-charged page-turner that *Newsday* raved was a "clever reworking of Greek mythology." After Helen Hamilton accidentally

unleashes the violent gods from their captivity on Olympus, she and her friends must imprison them before their thirst for war—and blood—take over the world. But the gods' fury already has a body count, and time is running out. With Lucas Delos's life hanging in the balance, and their once-solid group of friends now divided, Helen must face this battle alone, while also deciding who has her heart—Lucas, or the possible Tyrant, Orion. With a masterfully-woven plot and epically-high stakes, the compelling twists and turns in *Goddess* will leave readers completely spellbound.

A Memoir of Abuse, Addiction, Sex Work, and Recovery Simon and Schuster

The Sunday Times bestseller from one of the UK's best-loved television stars. 'I'm a girl with a crazy head, a big heart and even bigger dreams. If I've made mistakes, I've learned from them. But whatever's happened to me , I can never say that life's been boring.' From a young North-East girl to star of the small screen, *Geordie Shore* personality Marnie Simpson is here to lift the lid and reveal all. Marnie Simpson is one of the UK's best-loved TV personalities, first bursting on to our screens in the TV series *Geordie Shore*. Marnie lifts the lid on her life with characteristic punch - uncover the real Marnie through the ups and downs of growing up in Newcastle to the hilarious and dramatic antics of *Geordie Shore* and *Celebrity Big Brother*. Marnie reveals all - and everything in between!

Talent Will Get You Nowhere Feiwel & Friends

Hard-hitting divorce lawyer James J. Sexton shares his insights and wisdom to help you reverse-engineer a healthy, fulfilling

romantic relationship with *How to Stay in Love*. With two decades on the front lines of divorce Sexton has seen what makes formerly happy couples fall out of love and “lose the plot” of the story they were writing together. Now he reveals all of the “what-not-to-dos” for couples who want to build—and consistently work to preserve—a lasting, loving relationship. Sexton tells the unvarnished truth about love and marriage, diving straight into the most common issues that often arise from simple communication problems and relationships that develop by “default” instead of design. Though he deals constantly with the heartbreak of others, he still believes in romance and the transformative power of love. This book is his opportunity to use what he has learned from the mistakes of his clients to help individuals and couples find and preserve lasting connection. Previously published as *If You're In My Office, It's Already Too Late*.

Hot Thots Simon and Schuster

Angelini's follow up to the cult classic *Hyena* doesn't disappoint. *Hummingbird* is vulnerable where *Hyena* is wild. First, it'll make you laugh, then it will make you feel but most of all it'll make you think. It's easy to dismiss *Hummingbird* as a book of sex, drugs and rustbelt thuggery but dig deeper and see the humanity we all share. There is a humility that lies beneath the tales of a drug fueled, often brutal, sex saturated life: a self-awareness that shows the power of vulnerability. Angelini gains insight into the nature of existence through his own fear, insecurity, addiction and losses. This book highlights the importance of the acknowledgement that there's "good" and

"bad" in all of us and that one cannot exist without the other. Much like a drug, his ultra-short essay style gives you little dopamine hits with each story pushing you through the book like a fiend. When asked about it, Angelini says this, "It's all true and this is my life. Every word, every sentence was thought out and means something, so read it slow, like it's poetry."

Dreamless Little, Brown

Mangus knew sixth grade meant he was a man now. Sure, his dick was still completely hairless, he'd never seen any boobs, not even his mom or grandma's, and he still wasn't allowed to make hot chocolate by himself, but, basically, technically, like, according to society and stuff, he was a man.

Goddess Random House

How do you feel about protecting the surface of your coffee table from unsightly wine rings? Because at the very least, this book could make a nice coaster for your glass. Very least, very most, whatever. I'm completely emotionally prepared for this book to get god-awful reviews. **NOBODY WILL BUY THIS** Note from the Publisher: This book is the ultimate multipurpose tool. Potentially lethal if thrown, highly flammable, and a delicious high fiber/low carb goat feed substitute. "Mat Devine is a genius. And also an idiot. Mostly an idiot." -Jude Angelini, Author (*Hyena*)

REVIEW OF FREE HYENA JUDE ANGELINI BOOK

- I was nearly put off reading this by friends who termed it "depressing". This trivialises it, for it is, to my mind, truly tragic. In a shockingly irresponsible drunken act, protagonist Michael Henchard sells his wife at a local fair. The consequences, stretching over a couple of decades, sweep away both him and other characters. The plot teems with journeys, coincidences, long-lost people showing up, and a strong vein of morality. In typical Hardy-esque style, Henchard moves from the height of civic success to bankruptcy and alienation. A quasi-Greek-tragedy air of fate prevails, but Hardy manages to keep suspense alive. Protagonist and antagonist (Farfrae) are pitted against each other on civic and domestic fronts. There is not one Mayor of Casterbridge, but two, and success, failure and rivalry play a large part. There is also competition among the males as lovers, husbands and fathers. This novel gives an insight into civic life, the worthy burgesses of Casterbridge networking in their council-rooms and taverns. But the animal instincts of the wife-sale, the gutter-press viciousness of the locals' "skimmity-ride", and the proximity of the countryside, where so many Victorian characters wander to survive and to lay bare their feelings, reveal the fragility of civilisation and our urban constructs. Great stuff.

- David has a baby left on his doorstep and when he goes to the local department store to buy baby supplies, he meets shy-

moussy Marissa who is dressed in a story book costume. David needs a nanny and thinks Marissa would be perfect,he offers her a lot of money and she takes the position. Soon David sees the

sexy woman under the shy exterior and before long sparks are flying. Of course, his reputation as a womanizer doesn't help his suit. This is one of my favorites in the Texas Cattleman's series.
