## **REVIEW OF ISO 14001 2015**

## **VS ISO 14001 2004 PERRY JOHNSON REGISTRARS**

- Very enjoyable read about the creation of The Nation's Newspaper. It's shocking how much publishing and journalism has changed over the last 2 decades.

- Nearly 45 years ago, before Arches was a National Park, before Moab had become a well-known slickrock mountain biking destination, before the "high brow" rush to the wide open spaces of the West, Arches National Monument was a hot, dry and dusty little piece of real estate in the American outback...and Edward Abbey was there as seasonal park ranger. Abbey was cranky loner and prickly rebel, but also passionate poet who wrote a beautiful elogy to the vanishing desert wilderness."The wind will not stop. Gusts of sand swirl before me, stinging my face. But there is still too much to see and marvel at, the world very much alive in the bright light and wind, exultant with the fever of spring, the delight of morning. Strolling on, it seems to me that the strangeness and wonder of existence are emphasized here, in the desert, by the comparative sparsity of the flora and fauna: life not crowded upon life as in other places, but scattered abroad in spareness and simplicity, with a generous gift of space for each herb and bush and tree, each stem of grass, so that the living organism stands out bold and brave and vivid against the lifeless sand and barren rock. The extreme clarity of the desert light is equaled by the extreme individuation of desert life-forms. Love flowers best in openness and freedom."For both those who remember and lament the West as it once was and those who yet love it as it is, this is a
