REVIEW OF WONDER RJ PALACIO LESSON PLANS

- Reminded me a lot of some of Lewis Grizzard's work. Great travel book that you can pick back up anytime.
- I was fortunate enough to meet Larry at a book signing recently. He gave a slide presentation which included many photos of his hunting experiences. The photos and advice shared that evening were enough to motivate me to buy and read his book. Once complete, I was chomping at the bit to get on an Alaskan river. The book's resources are endless, as are the maps and details of where to go and how to get there. His knowledge of Alaska's rivers and animals certainly makes him "the" hunter to write this kind of book. Wow!
