Longlisted for the National Book Award
The Newbery Honor-winning author of
Hatchet and Dogsong shares surprising

true stories about his relationship with animals, highlighting their compassion, intellect, intuition, and sense of adventure. Gary Paulsen is an adventurer who competed in two Iditarods, survived the Minnesota wilderness, and climbed the Bighorns. None of this would have been possible without his truest companion: his animals. Sled dogs rescued him in Alaska, a sickened poodle guarded his well-being, and a horse led him across a desert. Through his interactions with

dogs, horses, birds, and more, Gary has been struck with the belief that animals know more than we may fathom. His understanding and admiration of animals is well known, and in *This Side of Wild*, which has taken a lifetime to write, he proves the ways in which they have taught him to be a better person.

Are you thinking of having your class read Gary Paulsen's novel, *HATCHET*? Do you need worksheets to assess students' comprehension for each chapter? If yes, the mega 225-page novel study may be of help to you! As a teacher, I was reluctant to read *Hatchet* to my class, but changed my mind after reading the novel. Some students may love to read about characters having daring

adventures in a wilderness setting. *HATCHET* is a real page-turner and will keep students wanting to read more when their other work is done! It is a Canadian story about a thirteen year-old boy who flies north to visit his father for the summer. He has a big secret and it affects him deeply. During the flight north, something happens inside the bush plane and the protagonist is challenged to make a life defying decision. *HATCHET* is truly a "Coming-of-age" and Bildungsroman novel. What happens to the main character will stir and stay with readers long after they finish the last page. This novel study carefully deconstructs each chapter and pulls from the text information that will cause students to think about their own lives in comparison. There are various

types of questions that utilize Howard Gardner's Intelligences, prompt online internet research, stimulate classroom discussions and encourage higher-level learning. Students learn to analyze, synthesize and sift data by filling in the blanks, circling true or false questions, selecting from a multiple choice, or providing his/her personal opinion. It is an excellent novel study for your upcoming term!

The 1960s San Francisco spiritual revolution - a view from inside. Memoir about a spiritual teacher and a student in 1960s San Francisco, a colorful cast - including Rabbi Shlomo Carlebach, Timothy Leary, Richard Alpert, Allen Ginsburg, Murshid Samuel Lewis ("Sufi Sam"), Swami Satchidananda, Ajari

Warwick, Rabbi Zalman Shalomi Schachter, and many more - and lives that were changed forever. Aryae Coopersmith, a 22-year old college student in 1960s San Francisco, meets the charismatic rabbi and folk singer Rabbi Shlomo Carlebach and decides to start a community for him. He rents a house and moves in with his best friends. Before long they find themselves - and their house - at the center of the San Francisco spiritual revolution as thousands of young people - Jews, Christians, Buddhists, Sufis, and followers of countless gurus - flood in through their doors. Giving concerts to packed halls all over the world, Shlomo is recognized as Judaism's most influential musician, and one of its greatest spiritual leaders, of the late

20th century. Their house - the House of Love and Prayer - becomes an historic part of the legend of 1960s San Francisco. Aryae and his fellow students who are running other spiritual communities bring their teachers and gurus together to create a big San Francisco event - the Meeting of the Ways - to celebrate the oneness of the world's spiritual traditions and all the world's people. Aryae's best friends Efraim and Leah leave San Francisco and head to Jerusalem, where they become ultra-Orthodox Hasidim. Many others from the "House" follow. Aryae stays behind and settles into a secular life as a Silicon Valley business owner. After Shlomo dies, Aryae feels compelled to tell the story. To try to understand the lives of his old friends and pull together

the scattered fragments of his own, he travels to Jerusalem. This profoundly moving memoir tells a story of grace, loss, redemption, and ultimately of acceptance. It invites us to reflect on how the 1960s spiritual revolution - with its vision of the oneness of us all - has impacted each of our lives.

A critically acclaimed tearjerker from a master storyteller: On one side of the border is brutality and heartache; on the

other side—a new life. Fourteen-year-old Manny is an orphan in Juarez, Mexico. He competes with his bigger, meaner rivals for the coins American tourists throw off the bridge between Texas and his town. Across that heavily guarded bridge await a different world and a better existence. On the night when Manny dares the crossing—through the muddy shallows of the Rio Grande, past the searchlights and the border patrol—the young man encounters an old stranger who could prove to be an ally or an enemy. Manny can't tell for certain. But if he is to achieve his dream, then he must be willing to risk everything—even his life.

REVIEW OF STUDY GUIDE FOR HATCHET BY GARY PAULSEN

- I enjoyed reading this book though it was a lot of reading to get to Ashley

coming into herself and dealing with Marcus. Though I was sure of what the ending would be, I was glad things worked out for Ashely and Elliott. The author had so much telling information until I noticed that Ashley informed Elliott about her childhood and her brother while he was at her house as if

she had not already told him the same story earlier in his office.

- alan moore is a master of storytelling, overall architecture, and dialgoue; on top of that, all of the characters are completely believeable and interesting; give this book a chance
