Remember, reading evaluations can help you make notified decisions regarding what to review next and can subject you to new authors and categories you may not have actually taken into consideration in the past.

REVIEW OF MICHELIN TRUCK TIRE SERVICE MANUAL

- While I concur with all the other reviewers with positive comments, there is a strange anomaly in this book. The essay on page 35 titled The Future of Ecstasy is dated January 6, 1990. It begins: "It wasn't until 30 years ago, in the 1960s, that there..." Two pages on (p37, second paragraph) it begins: "Looking back from 1990, all this..." Further on page 50 he says: "By 1985, there were no longer nine-to-five jobs." And similarly in a few other places in this interesting essay. Question: How is this possible when Alan Watts passed away in 1973? Hope someone can enlighten me - please leave a comment, thank-you.

- This is a great book for adults and kids alike! Carla Jablonski's writing shines in this novel that blends reality and imagination for both her characters and for her readers. The protagonist, Kia, is a teenager who delves into the club world of goths and vampires. With her father too busy for her and her mother in the hospital, Kia is left on her own to explore the world and discover the fine line between life and death. Along the way, she meets Damon, a truly intriguing character who, by all appearances, is a vampire and the answer to all of Kia's problems. Jablonski's characters are so real and engaging. Jablonski really opens the door to Kia's mind so that the reader feels that they are right there with Kia through her episodes of cutting, visits to the hospital, and her foray into the world of vampires. Like Kia, the reader takes the journey of doubt and questioning to that of belief and reality. This makes for an awesome read. I couldn't put the book down and stayed up all night to finish it. I want to read all of Jablonski's novels! And I want to know more about what happens to Kia!...a sequel????!!! "Thicker than Water" is definitely in my top ten list of best books EVER!
