REVIEW OF DEVOIR SURVEILLE SCIENCES PHYSIQUES

- the climax of Dune Messiah is mindblowing, shocking, thrilling and brilliant- getting there is one huge pain in the back.this book is roughly half the length of Dune, yet took me nearly twice as long to read. the focus shifts from Muad'Dib to a conspiracy against him and the effects his victory in Dune have had on the Fremen and Arrakis itself.the jihad of the Fremen that Paul feared has been allowed to occur. meanwhile, Dune has begun to be made green, alienating the older Fremen. the Bene Gesserit,

Bene Tleilax, spacing guild, and Paul's own wife- the Emperor's daughter- scheme to rid themselves of Atrides rule. the palace intrigue and underhanded maneuvers that fill this book are niether engaging, nor particularly interesting. it is only when at last the novel truly brings the focus back to Muad'Dib that things begin to pick up.Paul has always known the path he must take, yet in the stunning conclusion, he rejects it and passes the legacy and responsibility onto his infant son Leto, setting the stage for the books to come.Muad'Dib's true end illustrates why so many Dune fans hate David Lynch's movie with a passion.

- Frank Herbert has achieved a master piece!He puts together a fantastic mosaic of cultures and religions that

have influenced our own world and gives of Arabia. So dense that you can read it
a new dimension to a futuristic Lawrence again and again.....
