**REVIEW OF SEWING FOR YOUR GIRLS EASY INSTRUCTIONS FOR DRESSES SMOCKS AND FROCKS****INCLUDES PULL OUT PATTERNS**

- Great book for law student studying civil procedure. It provides great examples of real world civil procedure (rules of the court) issues with actual cases and notes! GREAT text for law students!

- What a great book, you gotta read this one. If you don't you'll have to read something else by Heinlein, anything at all in fact. I was sickened by one of the reviews here calling Heinlein's adult books "pornographic." Double Star, The Door into Summer, Starship Troopers, The Moon is a Harsh Mistress, perfect examples of his adult books which are distinctively not pornographic. I am yet to read one which is. Oh yeah, almost forgot, Stranger in a Strange Land is considered to be one of the most important novels of this century and to be a literary landmark. I found it hard to believe that someone with enough incompetence to call Robert A. Heinlein a pornographic author, could have the good sense to call this a good book. Well, nobody can be all bad I guess.
