REVIEW OF LINEAR SYSTEMS AND SIGNALS

2ND EDITION BY B P LATHI

- I had never paid much attention to Dutch painters until I read Girl with a Pearl Earring, so when I picked this one up I was ready to enjoy another sojourn into that interesting country. I liked the different approach to the painter and loved the way the author

takes you backward on the journey of discovery. Delightful.

- Jennifer Crusie has a knack for fun and witty language! I read this story in 1 1/2 days. I was glad that, for a change, Cal, the gorgeous hunk was attracted to Minerva, a big boned woman who was not the typical dainty, naive and delicate girl even if he was pushed to notice her only because of a bet!
