## REVIEW OF KARMA GIRL BIGTIME

- this book was totally empowering! it's my favorite book. I've read it a million times. I am Isadora! what a great book!
- I originally bought this book because it was recommended by my Pastor as an interesting, informative read. Having been an atheist, C.S. Lewis has the perfect explanation as to why he believes there is a God. I bought this book a second time around because my 17 year old son is struggling with the whole concept of God (his father is an atheist) and I thought this would be helpful. He was really impressed with the way C.S. Lewis succinctly and clearly goes step by step on why he believes there is a God. Every child going off to college needs this book to counter the left wing, secular university experience. A fantastic book!
