REVIEW OF 0982270909 UUS109

- It's only the very best series ever written. I Love WOT and it deserves it's rightfully place as the best. I am sorry for those who have deluded themselves into criticsizing it. They have really missed-out on an incredible experience. It belongs on the lonely mountain of perfection-along with Star Wars and Shakespeare. I enjoy every part of it and will support Jordan if he finishes it in 1,3,or 10 more volumes!! I say-whats the rush?!?
- Robert Jordan's best book in a wonderful series. The pacing is perfect, the story line really begins to get into the "second act", and the characters are becoming very memorable.
