REVIEW OF AMAZING DOT TO DOT ADVENTURES ACTIVITY BOOK

- What a wonderful book! Every page brought laughter and an opportunity to share some fun, and even teachable, jokes. Also a great idea for speech or sermon openings! You'll definitely get a kick out of this book!
- The typeface is very small. This is a problem with buying books online; there is just no way to know if the font used is average-sized and readable -- or excruciatingly tiny and sure to bring on a case of eyestrain. These books are the latter. If microscopic print doesn't bother you, these two are a very nice set in a shelf-box. I'd love them - except I can't see them. Too bad, really. Since there is no preview that can inform a potential buyer as to font-size, I felt my review would focus on this, so as to alert those interested.
