Based on extensive research, Grammar and Beyond ensures that students study accurate information about grammar and apply it in their own speech and writing. This is the first half of Student's Book, Level 2. The Student's Book is the main component of Grammar and Beyond. In each unit, students study the grammar in a realistic text and through charts and notes informed by a billion-word corpus of authentic language. The exercises provide practice in reading, writing, listening, and speaking, making this a complete course. Students learn to avoid common mistakes, based on an extensive corpus of learner language. Each unit concludes with a Grammar for Writing section, in which students apply the grammar in an extended writing task.

Linguists routinely emphasise the primacy of speech over writing. Yet, most linguists have analysed spoken language, as well as language in general, applying theories and methods that are best suited for written language. Accordingly, there is an extensive 'written language bias' in traditional and present day linguistics and other language sciences. In this book, this point is argued with rich and convincing evidence from virtually all fields of linguistics.

REVIEW OF ENGLISH GRAMMAR IN USE FOURTH EDITION ANSWER

- Having used Exchange 5.5 for over a year, I knew how complicated the test might be, but this book really showed the things I needed to know to pass. The review questions, however, any understandably biased toward the book contents. Use the MS Prep exams or Transcender to finish off your preparation. That helped me considerably.

- I found Defiant Captive to be a wonderfully entertaining read. The romance is passionate and at times quite erotic. The well defined characters and the medieval Viking setting drew me into the story. Much fun, thanks Joyce.
