REVIEW OF QUICK REFERENCE GUIDE TEMPLATES

- Veria Wills reflects in her poetry a refreshing, candid, heartfelt and down-to-earth approach to everyday life. Potpourri Of Life admirably serves to introduce this outstanding midwestern poet to a new generation of readers.
- I love this diet! I have 3 small children and no time to exercise. My mother gave me a copy of this book 12 years ago to remove weight that had piled on in Europe. It worked great and now that I am done breastfeeding my 3rd child, I plan on using this to get off the rest of my pregnancy weight, I have already lost 16 lbs. I find the menus to be simple to follow and easy to prepare. I grill all my meats so that they have a great flavour and lose the excess fat. I really love GOOD Food so I do have to discipline myself. This diet is great for you if you have little time for yourself and a spouse in grad school who's not about. Plus, I can feed it to my children with little complaint. Just add some homebaked Scarsdale Protein bread (which I made in my machine)or a potato with butter and they'll gobble up the rest. Also use good lettuce like romaine and fresh tomatoes. Dress up the salads with Balsamic vinegar and use pink grapefruits as opposed to plain. I have also noticed you can use cucumber slices as a snack as well. I snack on Veggies all day and still lose at least a pound a day! This diet is much better than Atkins.
