REVIEW OF MAKALAH GELOMBANG CAHAYA DALAM BIDANG TEKNOLOGI

- I loved this story! Although Faith's mother and father are going through a divorce she is somehow seeing visions of God and reciting bible versus. Most puzzling of all she goes through Stigmata like symptoms. This book had me hooked from beginning to end and I highly recommend it. I didn't think the religion aspect was too much for modern fiction. Picoult intertwined it beautifully. GREAT BOOK!!!

- I too was very disappointed by this book. Having read this author previously and enjoyed her books, I thought this one would be an interesting and enlightening read. No way. The story was flat. The romance reeked of romance novels (really, his hair was like a raven wing?). I was truly offended by that stuff. I wondered if we were experiencing a ghost writer and Miss Jodi has just become too successful.
