publication evaluations. Bear in mind, reading reviews can aid you make educated decisions regarding what to check out next and can reveal you to brand-new authors and genres you may not have taken into consideration in the past.

REVIEW OF 18 3 GUIDED READING THE COLD WAR COMES HOME KEY

- Bradbury's best; A non-stop look at the supreme ignorance that comes with totalitarian regimes. A dystopia like BNW and 1984, this dystopia is littered with awesome similes, startling parallels, and absurd contradictions such as

firemen who light fires, instead of putting them out. Whether your of Liberal mentality (Michael Moore took his bush-bashing doc title from this book.) Or if your of a Conservative mentality, (this book gives a great account of what true conservatism is all about.) The story is prophetic, and will

manifest itself in America now or later. Just like G.Orwell's Big Brother has now manifested itself through the Patriot Act. This book is a must read, and if you don't like it, well, you can always burn it!

- This book was confusing, but overall a fun adventure! I punched Schesnuk in the FACE!
