REVIEW OF MACROECONOMICS SIXTH EDITION OLIVIER BLANCHARD

- I can't say enough about this book. This book is excellent and affects me everyday. The one thing I enjoyed about this book is Sister Souljah tells the TRUTH about Black America. "Where did we go wrong" is the question I have. She talks about black female empowerment and our responsibility to our community. In fact, this book inspired me to work in my community more. I don't care for all the controversy around this woman, all I know is what this book makes me feel.
- free from amazon, downloaded the free kindle app for a new android phone and was trying it out, have not read the book yet but the pages and quality look good.
