REVIEW OF SALT SEA RUTA SEPETYS

- As others have said, I really like this

series more for the depiction of life in a British village during WWII than for the mysteries themselves. There are some very good continuing characters: young girls, bumbling village constables, the American soldiers - plus a right old rip-roaring boo-hiss village harridan whom I love to hate! And of course there are Lady Elizabeth, her faithful household retainers, and the handsome US officer in whose presence Lady E practically gives off sparks, heh, heh...I guessed the solution to the murder pretty early on but still enjoyed the book because I wanted to know what happened to the characters.

- I purchased the Big Box of Boynton for my 17 month old and she loves these books. She especially loves Pajama Time. Sandra Boynton has a great way of entertaining kids through her catchy rhymes. I definitely recommend these books!!!!
