- This is a wonderful, encouraging, faith inspiring book. Well written, concise. Thought provoking, inspirational, devotional. Very good to read on the run or to meditate on. Highly recommended. I have it and am giving it as gifts@

- Classic American Popular Song: The Second Half-century, 1950-2000 is a college-level survey of what happened to American popular music post 1950: it continues the story of classic songwriters from Porter and Rodgers to Johnny Mercer and Fred Kander, exploring the ongoing (and sometimes surprising) popularity of their works over the decades and considering both the quality of pop song after 1950 and the efforts of writers who worked in an established yet fading musical style. From traditions maintained in popular song to the evolution of American song styles, colleges will find this a fine addition.
