## REVIEW OF GEOMETRY MCDUGAL CUMULATIVE CHAPTER 9 REVIEW ANSWER

- Miller's characters provide great external and internal conflicts. The overall theme is inspiring. Read this book.
- A few years ago I saw a theater version of this book at the Live Bait Theater in Chicago. I didn't know about the book and

thought that the playwright had such a wonderful, creative ear to make the police scene come alive. Connie Fletcher has the gift of capturing the words of actual cops in a way that creates a consistent story and strong drama.
