REVIEW OF LAURA BERK EXPLORING LIFESPAN DEVELOPMENT 3RD EDITION

- Love this book and Love Dr. Brasco -- just recently acquired him as a physician was so awesome to have a physician PERSONALLY call you when you're having issues instead of office help -- doesn't happen much anymore -- I learned alot from talking to him personally and from this book.

- I am a huge fan of soups and I love this cookbook. Too bad it seems to be out of print. Every recipe that I have made has been easy to follow and has turned out deliciously. Even though I live in a small community in northern Arizona, I have never had trouble finding the necessary ingredients. I guess you just need to know where to look.
