REVIEW OF FALLING UP SHEL SILVERSTEIN

- This is a great knot resource; compact, durable, very accessible, and well designed. You can't go wrong.

- This is a handy little reference. It's about the size of a credit card, but twice as thick. Suitable for a wallet or pocket. There are six cards, double-sided, and some two knots, for a total of 15 knots. The cards are fastened together, so there's no chance you'll lose one of them. I'm just getting started learning knots, and I have tried a few of these. So far this has been a good help. This will be handy to have around. With practice, I'll have a few of these committed to memory.
