The special narration design, relatable characters, and story twists make it a beneficial addition to your bookshelf. So, if you're looking for a fascinating read, Abta Test Paper is absolutely worth taking into consideration.

## REVIEW OF ABTA TEST PAPER

• I am 16 years old and this was my summer reading book. I thought it was pretty good. Just because you have to read it for school, don't just discount it as a worthwhile book. Yes, it is long, but it DOES have a point. You have to keep in mind that Dickens published this in monthly installments in his magazine - so yes, it is long. But take your time and enjoy the story.

• Without a doubt this has to be one of the greatest novels of all time. I won't say it's the best just because once a work of art attains greatness I find it quite incomparable to other great works. Great works are ones which have fully succeeded in expressing the emotions and convictions of the artist, and without a doubt Great Expectations acheives this. Unfortunately I only hold this view of the book containing the original ending, which was not the originally published ending. (spoiler) The original ending at first seems sad and frustrating, but one can't help but to feel satisfied in knowing that

through suffering Estella had gained a heart, which is much more than she would have gained through a cold and heartless relationship with Pip. The happy ending which was published is almost a fairtale ending and it perverts the themes which make the novel so relevant to reality. I must admit, like Dickens' friends and publisher, the original ending was hard for me to swallow, but as I dwelt on it and how it related to the novel, no other ending seemed appropriate, especially not a happy one.
