The one-of-a-kind storytelling design, relatable characters, and story spins make it a rewarding enhancement to your bookshelf. So, if you're searching for a captivating read, World History Guided Reading Activity 18 is definitely worth taking into consideration.

REVIEW OF WORLD HISTORY GUIDED READING ACTIVITY 18

- Dr. Jekyll and Mr. Hyde was a wonderful book. It expressed how the string of good and evil are attached, and how different people express themselves in different ways. I think that Dr. Jekyll released all his negative energy through Hyde so that he would not be know as a evil person. this book made me realize that I dont need to keep negative feelings bottled up inside because it only leads to bad things in the end and you do not get anything good out of it. Every person needs to read this book. It will give you a sense of adventure and let you explore into the life of scientist and science. I would definately recommend it to anyone interested in the supernatural.

- I love this book, it is a great piece of literature. I love Utterson, I pity Jeckyll, and I pity Hyde. I still find it weird, to this day, how movies, television and other visual media always depict Hyde as a large and monstrosly when he is Cleary described as much smaller than Jeckyll.Aside from all that, I always had wished it moved a little faster and there was a bit more adventure to it. The mystery/thriller aspect was always great, but I am sure it was much more enjoyable in the time period it was published to not know Hyde and Jeckyll were the same person until reading Lanyon's letter to Utterson.A great classic, reads pretty straight forward a with great imagery and suspense.
