REVIEW OF BREAKING BAD NEWS TO THE API

- I don't think the first person narration does the story any justice at all. It would have been a lot better in third person. The actual storyline is choppy in places and is written in a more steampunk rather than classic sci-

fi way, but without the use of over the top futuristic languages or objects. I am not overly keen on the style or structure, but enjoy a well spun yarn. I am quite impressed by what producers have been able to deduce and create on to film. They have managed to give an inkling of this

authors underrated talent. AVP-UK
