REVIEW OF BOOK OPTICAL ENGINEERING FUNDAMENTALS SECOND EDITION SPIE

- I wanted a nice, keepsake copy of my favorite novel and the book was everything I had hoped for. The cover and pages are in excellent, almost new condition. I am very happy with the book and pleased with the price I paid. I was bidding on-line for a similar copy but this purchase was much easier

and less expensive.

- my kindle was a present and this is the first book that I have read on it. Very pleased, will be reading more on my kindle, less clutter in my house in future.
