REVIEW OF TOMTOM GO 630 USER GUIDE

- I enjoyed this book so much that I read it twice,then a year later, read it again!--FANTASTIC!!It captures the times, the people, places and things thatmade Sylvester, San Francisco, that music and that erasuch a golden & magical time!I love the stories of the young Sylvester growing up inSouth Central L.A. in the 50's and 60's, FLAMING THE CHILDREN!!Giving them fabulousness and outrageousness at every turn,from his soul-stirring falsetto rendition of the black gospelclassic "Never Grow Old", to the rawkus "DISQUOTAYS", a rag-taggang of young black drag queens that he hung out with, to theoff-the-charts outfits that must've stopped traffic inthe hood big time! (LOL!!)It was evident to all who knew him even then, that thispretty black child with the high voice was way differentand way way special!! (-:Some didn't know how to take Sylvester or even know what todo with him, yet he pressed on!--Carving out his own spacewithin the harsh realities of ghetto life as best he could.Sylvester was a true pioneer in every way!He didn't see race, gender, the expectations of others,the taunts of hateful & ignorant people, etc.,as obstacles or boundaries he needed to respect.He was a true original!--Uncut, undiluted, young, black,gay, gifted, stylish, full of charm and ambition,with the soul of a torch singer or a blues shouterinfused by a rock-n-roll rebel spirit and soul singer's chops!What a combination!! myself can attest to Sylvester's impact, as both a fanand as young gay black

kid who was coming of age and intoself-awareness at the very time that his star was reaching it's zenith!! had just started partying and experimenting sexually bythe age of 14 in 1978 when "Dance (Disco Heat)" and"You Make Me Feel (Mighty Real!)" burst onto the music charts,in the clubs and in house parties across the countryyand eventually, the world!! couldn't yet get into the disco clubs, but oh boy!--I could sure get into house parties!! was hanging out with people who were 5 to 10 yrs olderthan me and I was learning MANY INTERESTING THINGS!! <G>Of course, back then you had "FAIRY GODMUTHAZ", older gayswho would take us young "up & comings" under their chiffon wingsand school us on the do's and don't's of gay life, sex & survivalin the late 70's and early 80's!!PRE-AIDS and in the last writhing throws of the SEXUAL REVOLUTION,it was a great time to be alive!! grew up in the south during this time, which already hadit's issues with race and sexuality, so the gay world of that time,on that end of the country, was still very underground,hypocritical and always hush-hush!!There were a lot of secret stares, codes, slangs, etc.to let those who needed to know, what you wanted them to know.But though it was very repressed and subterfuge,MAN, DID WE HAVE SOME FUN TIMES IN OUR LITTLE NETHERWORLD!!And yes, as is now, back then, straight men did ventureinto our world quite frequently!!Anywayz, enter THE FABULOUS SYLVESTER from the legendaryand exotically far reaches of a city they called"the gay shangri-la"...aka SAN FRANCISCO!!It was the summer of 1978, and here was this strong,proud, black, beautiful, talented, androgynous gay mantelling us, by the very nature of his existance,that it was not only alright to be what you were outin full view of the world, but it was also our dutyto be FABULOUS & JOYOUS!! (-:Sylvester was more than just a disco diva,HE WAS A WHOLE MOVEMENT!--Every time he would perform,it was part church revival, part circus, part drag pageantand part gay pride celebration!!TRUE STORY!--Picture It!--Greenville, SC in May of 1979...I had just turned 15 yrs old, and me and two young gay freinds of mine, one 16 and one 18, hear through the grapevinethat none other than THE FABULOUS SYLVESTER would be appearingat a club called SAN SOUCCI's in Atlanta, GA(which was 200+ miles way, and well on it's way to becomingthe southern San Francisco!) and we go absolutely nuts!!It becomes our mission, our sole purpose for exsisting!!Our quest, to somehow, obtain fake ID's, fabulous disco-eraoutfits replete with lots of glitter, dripping foxtailsoff the lapels & double belts, shoes called "crayons"that had a clear amber heel that had lights in them thatblinked in rhythm as you danced your booty off on the dancefloor, either Sassoon or Jordache jeans which had a littlestretch fabric blended in with the denim to hug your firmperry teen-aged azz and tiny waist to perfection,outlining your package in the front, and makingthe local guys salivate with lust over a hot pieceof TENDERONI like you! (LOL!--we were too much!)We pooled our allowances, our summer jobs, etc. toobtain tickets through an older bisexual cousin of minewho lived down in Atlanta at the time, who also arrangedthe fake ID's as well.Keep in mind, I had just turned 15, one freind was 16and the other was 18...none of our parents even knewwe were gay, and there was no way in the hellthat they would've sanctioned us (under-aged)going all that way to Atlanta...and to see thisgender-inspecific weirdo named SYLVESTER!!(Boy George and Ru Paul were still a ways off yet!)So me and my freinds, being rife with teenaged angst,secretiveness and resourcefulness, concoct the half-bakedscheme to hitchhike from Greenville to Atlanta with dufflebags in tow filled with our outfits, toiletries, etc.,use our fake ID's to get into the club and party withSylvester & Two Tons O' Fun into the wee hours,get my older bi cousin to rent us a hotel room in Atlanta,have us a slam bang good time with some local fellazovernight and then hitch it back to Greenville by Sundayevening before 5 pm!! (LMAO!!)Anywayz, long story short, as is with all half-cockedand scantily thought out teenaged schemes, we did pull it off,got in the club and got down with Sylvester, got high,got the boys, got the hotel room, etc.But what we didn't bargain on was our mothers not being bornyesterday and the loose lips of the jealous young queenswho wished they had the balls to pull off what we did!(We got ratted out big time!)We also had a hell of a time trying to hitch it backfrom Atlanta to Greenville on a Sunday morning, and afterour mothers up in SC found out what we had done,they got in a car and headed for us like heat-seeking/search & destroy SCUD missles with fire in their eyes!Man, did we get our teenage closeted gay behinds handed to us!My older cousin caught it too from my uncle in Atlantafor his hand in our scheme, and we didn't even havetime to put concealer on over the many "hickies" on ournecks and chests from our Atlanta frolick in the hotelfrom the night before! Boy, it was a mess!We wound up being forced out of the closet to our mothers(which was then a horror to them!)We were all immediately grounded for a month to our respectiveresidences, were banned from socializing with each other,(which we still would sneak and hang out!)and we all gotthe butt whippings of our young lives!(Yes, parents still whipped butt back in those days!)BUT OH MAN!--We didn't care!It was well worth it, because we got to see THE GODDESS,THE DISCO DIVA...SYLVESTER, live and upclose!! (LOL!!)Now, here I sit...a 44 yr old, well-traveled, successful,proud and fortunate gay black man who has had my fun,relished the memories of those far away magical days,and if there is any bittersweetness to the story,it's that I have outlived not only my two freinds fromthat teenaged excursion, but Sylvester and about 30 morefreinds and acquaintances from the late 70'sto the mid 90's...all lost to the scourge of AIDS.As we grow older, we reflect and long for things thatwere familiar to our particular generation as things arebeing torn down, people die or move, and the world ofour past is erased. This wonderful book, along withSylvester's music playing in the background as I wasreading it, brought all the magic back for awhile!This book would make an excellent movie and I hope someonewill make it happen someday in the near future.In the meantime, enjoy the book folks!R.I.P. To Sylvester, Izora Rhodes, Patrick Cowley,and to all my freinds and acquaintances who have madetheir transitions in the prime of their lives!--I'll see you again one day!!LOVE & PEACE 2 ALL!!

- "The Egyptians" is a wonderful piece, spanning the whole of Egyptian history minus Ptolmiac times, which duly belong more to Greek and Roman history than Egyptian. However, unlike Nicolas Grimal's "A History of Ancient Egypt," this history is written much better and Cyril's very formal, yet oddly casual style makes for quite the enjoyable read. A chapter is spent on Egyptian social classes, ranging from the Pharaoh to the peasantry to slaves, a delightful bite of information concerning Deir el-Medina hidden within. However, I must confess that one of the greatest pleasures came to me when I found among the wonderful plates a long sought after photo of the author, standing in the temple of Seti I at Abydos; I like to have faces to go along with my favorite Egyptological authors. I also send my admonitions to Aidon Dodson for a wonderful job of updating; he made the book current without undermining Cyril's style, and nowhere can you for certain know something has been changed.
