## **REVIEW OF CATALOGUE EATON ZF EURORICAMBI**

- I honestly can't believe some of these prior reviews. So much vitriol, that it gives one a hint of the type of ugliness that John &

Yoko had to deal with simply because they were together. Regardless, this is simply an essential book about John Lennon, providing many candid insights of people who were fortunate to have personal interactions with a man who was an undisputed titan of the 20th century. Thank you so much for compiling this book Yoko. John was fortunate to have found you, his soulmate, during his lifetime. God bless you.

- Maybe something lost in translation. More of a "thoughts on life" than a novel. Hope this helps. Lots of better aviation books too.
