REVIEW OF THE CONQUEST OF COOL BUSINESS CULTURE

- "WORKING TOGETHER is an original and important book. With eloquent prose, Cynthia Estlund convincingly develops the argument, based on a careful integration of empirical studies and social and political theory, that working together enhances inter-group relations in the long run. This book has enormous relevance for students concerned about the future of civil society, and will be widely discussed and cited for many years."--William Julius Wilson, author of WHEN WORK DISAPPEARS and BRIDGE OVER THE RACIAL DIVIDE

- Justly as good as 45years ago. A real joy which should be introduced to all children from 6 to 60
