## REVIEW OF THE ESSENTIAL THEATRE 10TH EDITION

- The nefarious business practices of crime boss Nicholas Balagula: fraud, extortion, and falsified bids, caused the death of 63 people including 41 children when a minor seismic disturbance collapsed the wall of the Fairmont Hospital. Possible jury tampering, intimidation, and the fortuitous deaths of witnesses have kept Balagula from spending the rest of his notoriously immoral life in prison. But federal prosecutors may have turned a witness, someone who can testify to Balagula's direct involvement in the disaster. Granted status as the only nonparticipant allowed at the trial, Frank Corso, reclusive author of popular true-crime novels is forced back into the public eye amid media speculation that he is consulting for the prosecution. Then Corso's insulated life is thrown into chaos when his ex-lover Meg Dougherty, while pursuing an investigation of her own, is involved in a car accident that leaves her battered and bloody body hanging to life by a thread. Pursuing justice for his one, best friend while following the course of the trial Corso is pulled into the muck of a black river of deceit, corruption, and murder. Ford's latest bad guy isn't as reprehensible as Corso's previous foe, the Trashman, but perhaps he just seems less disgusting because we're exposed to reports of unethical business practices in the news so often. Hospitals and homes are lined up along the San Andreas Fault as we read. Balagula's method to find the

members of an anonymous, sequestered jury would make a market researcher proud. And even the most competent of employees will have bad days: finding the guy you're to hit already dead, buried bodies floating to the river's surface, taking out the wrong people. I almost felt sorry for these two killers. The flow of the Black River of the title is disrupted by progress, but "it's a river's nature to remain a river." As Balagula proclaims his innocence the progress of his criminal empire continues to flow. But even a criminal empire runs into obstacles now and then. G. M. Ford has once again provided a compelling journey into the world of crime and fascinating look into the complex personality of one of fiction's newest heroes.

- The reading I've done in the first fifty years of my life has been in search of a book like DEEP IN THE SHADE OF PARADISE by John Dufresne. Now, the remaining years of my life will be spent trying to find another book like it. Trying to describe the book is like trying to explain MOBY DICK. ("Well, it's about a whale but it's not about a whale, it's really about everything.") DEEP IN THE SHADE OF PARADISE is simply a great book. I forced myself to limit reading to one chapter a day to make the book last. It was hard because you become so involved with the characters you are compelled to fly through the pages. At the same time you know if you read too quickly you'll miss some great sentences that deserved to be carefully and thoughtfully read. Dufresne has guaranteed that whenever I hear the word "plot" I will always think of the blissful Pythias. An extremely funny book.
