#### **REVIEW OF SCARLET LETTER STUDY GUIDE ANSWERS**

- This a highly acclaimed book which has been based on declassified Israeli, Haganah, and Zionists documents written by the famous Israeli historian Benny Morris. From my prospective it is a must read and own book if you are interested in getting a detail understanding of the Palestinian-Israeli conflict.

- This book had me convinced that amy twins would have some type of birth defect, or that something would go wrong with my pregnancy, labor, or delivery. I read this when I was on bedrest, and finally had to remove it from my room because it scared me too much. The author seemed only to concentrate on what could go wrong with a twin pregnancy. I would recommend the only other twin book I read - "Keys to Parenting Twins." It's much more positive! By the way, my twins were born completely healthy & normal at 36 weeks.
