REVIEW OF CHAPTER 4 AN OVERVIEW ON KERALA AND AYURVEDA

- Boring anti male story of a nazi like society in the US where women are forced birthing slaves. As if any man would ever want to live in Atwoods world. Very sloooow book. I cannot disagree more with the positive reviews. I want a refund. Totally derivative of Orwell with characters you wont care about. Many other near future sci fi books are much better. Dont waste your time with this one.
- Fascinating story of how quickly

government and society can take away the rights of many. It's happened in history to the Jewish people, to African

Americans. In this story it is women who become oppressed. Very interesting book, I'm glad I read.
