REVIEW OF THIS LAND IS OURS

- Sherry Argov's Why Men Love Bitches should be required reading for every women who wants to be in a romantic relationship with a man. First, you must forgive the title. I am aware A LOT of women are turned off by the title of this book. In fact, when I suggested it to a friend she said to me "why would I want to learn how to be a bitch, when I am a lady?" Sherry Argov does not instruct on the ways and means one goes about becoming one of those obnoxious

women who asks for WAY TOO MUCH while giving WAY TOO LITTLE. Oh NO! She teaches every woman how to go from being a mans doormat to his dream girl. Sherry Argov's Bitch is a strong woman who loves herself, who respects herself, who knows her worth, her value, and knows what she deserves and will not tolerate less in her life. I am proud to be a Sherry Argov Bitch! I first read Why Men Love Bitches as I was coming out of a bad relationship. Within the first 10 pages I knew I had found my relationship bible; and that is all it takes to understand why this book should be required reading: 10 pages. Within those first 10 pages I saw the woman I was being in my romantic relationships (the doormat) and the woman I truly am (the dream girl). Sadly, until I read this book,

they were never one in the same...but now they are! This book is that EMPOWERING! After reading this book there is no going back to the old way of behaving, because once you read this book, you see yourself and you see men in a whole new light, because you get it. Sherry Argov literally lifts the veil, and epiphanies are had during every single chapter. I have been in a few relationships since I first read this book, and this book is my guide, my bible, my man manual if you will. And I have found the very end, where Sherry lists all her attraction principals to be especially helpful in a pinch. This book keeps me focused, it reminds me of who I am, and why I am behaving the way I am; it keeps me strong. Not only do I HIGHLY recommend this book to you, but I

recommend it to every single one of my girlfriends every chance I get; none of whom (after they got past the title) ever found themselves disappointed. So, I feel confident in saying you will not be either! So PLEASE do yourself one of the best favors of your life and read Sherry Argov's book *Why Men Love Bitches*, you will not regret it!PS: I have read both the first version and the updated version and I recommend the new version with the new material. Both are good, but the added material is well worth the investment.

- This book really helped me out and it really works. I can't wait until she writes another book. All the ladies that constantly give their men everything, and put them first for some reason always gets walked all over. The book gives you a step by step process of how to deal. You can always go back to review if you start to backslide. I'm sure we all have been through it and still might be, if you are unsure of what to do, get this book as a guide you will not regret it!
