## REVIEW OF 11 23 18 DOWNLOAD SCREEN SCHOOLED TWO VETERAN

- I have read this book SO many times over the years, and each time that I re-read it, I am once again enchanted by the colorful, vivid characters and scenery that Steinbeck brings to life in Cannery Row. Fantastic book...I HIGHLY recommend it to anyone and everyone who hasn't had the opportunity to experience it's magic!
- I first read about Mr. Sodaro's book in my local newspaper (The Hour, Norwalk, CT), and found his concept for a book to be fascinating. I later heard him speak on the topic

of fast food toys and (of course), his book, at a couple of events in the area, and determined to seek out the book and purchase a copy for myself. Sure enough, it proved to be every bit as interesting as Mr. Sodaro was in person. While I am a collector of toys and

such, I really had never given much thought to fast food giveaways as legitimate toy items until I heard Mr. Sodaro speak, and then read his book. Very informative. I recommend it to anyone who collects toys, or has eaten at a fast food location.
