## REVIEW OF THE RENAISSANCE GUITAR THE FREDERICK NOAD GUITAR ANTHOLOGY

- After buying my Bread Machine, I had little luck with making breads. This book - all 600+ pages is the best book purchase I've ever made. Aside from the hundreds of recipes, the history,

pointers, etc. found in this book are invaluable. Buy it! You'll be a winner with baking breads via your bread machine.

- Jack Whyte is a master at imparting historical data in gut-gripping fiction, even if you're not a fan of King Arthur. I loved this entire series, and have purchased it for several of my family members and friends. The whole series is an "I can't put it down" one. You'll be captivated!
