The Ultimate Scrapbooking Book Martingale

In *Paper Parties*, designer-maker Erin has carefully curated over 50 paper projects for chic, fabulous celebrations that will delight and inspire anyone who loves to make playful and beautiful things. *Paper Parties* was born out of

Erin Hung's love affair with paper as a medium and her passion for celebrations that are bursting with fun. Gone are the days when 'papercrafts' conjure up images of shabby-chic scrapbooks and heaps of unnecessary embellishment. Erin proves that these projects can be modern, stunning and relevant, through a unique format that combines the beauty of an inspirational, illustrated coffee table book, with the simplicity of a practical craft manual. Whether you fancy sending a Secret Love Message, want to dazzle and delight guests with a 3D Gem Stone place name and Flower Bomb confetti piñata, or celebrate the passing seasons with an

Origami Advent Calendar, there is something to create and celebrate for every occasion.

All-in-One Guide to Cake Decorating Chronicle Books

Containing informative and educational material for using the popular Copic markers, this guide presents card designs and instructions in an easy-to-follow format filled with tips for expanding coloring skills. The sample projects provide examples of the most current and popular card-making techniques used by paper crafters today. Ideal for card makers, coloring artists, and drawing enthusiasts, this book features advice from a Copic certified instructor on advanced blending techniques, working

with digital images, and how to follow the Copic numbering system. A CD of images to color is included in the package.

REVIEW OF SCALLOPED BORDER PAPER TEMPLATE

- As have many of the reviewers here, I've read all of Jan Karon's books. I find them to be comforting, soothing, safe cozy books to read. Sometimes, when life is truly stressful and anxious, that is exactly what I want. I draw a hot bath and read about a kind gentle world where nothing bad ever happens without a solution. People die when they're old, people give up their addictions,

people love each other. So I am pretty mystified by readers who gave these books one star and commented that it was a relief to put these last books down. No one is forcing anyone to read these books! There won't be a test in the morning. I am not episcopalian, I am in fact an atheist. That doesn't mean I don't enjoy the comfort of these books. If you are so narrow that you buy these books and expect them to be something completely contrary to what they claim to be, what they are designed to be, then whose fault is that? Certainly not Jan Karon's, who it seems to me has been extraordinarily creative and successful at creating this little fantasy world for quiet

comforting retreats. I can't even believe that reviewers here complain for a lack of realism! You are reading these books for realism? You are upset that a book about an episcopal priest has too much prayer in it? You believe that solutions to these problems are too facile? Come on! That is what these books are supposed to be! When I read a Jan Karon book, I am hoping for the same kind of escapism that I get from reading a PG Wodehouse book. It has nothing to do with reality. It has everything to do with just enjoying the read. I'd recommend this one highly. I didn't

think this last installment was disappointing. I also don't think it will be the last Mitford book. It will probably be the last Father Tim Mitford book, but I suspect that Hope Winchester and her new husband will take the reins. It would allow Jan Karon to write as a woman, and as a woman who spends a lot of time in bookstores! I personally am looking forward to it!

- I have the Mitford Years Series. Thank you for bringing back memories that I experienced as a child. Childhood is often difficult but the series reminds me of the good times when ignorance was bliss.
