REVIEW OF THE GENDER GAME 4 THE GENDER WAR

- I read this book about 3 years ago. I loved it. When I am buying a birthday gift for friends, I often get a copy of this book for them. This book kept me so interested. I love Barbara Delinsky, buy

this is my favorite!

- This is an older book, but a brilliant book. Comprehensive, well-illustrated, and packed with information. Have new

ideas and new materials (and new regs) come along since the 1990's? Of course. However, much of the knowledge this book contains is really rather awesome.
