### REVIEW OF THE ANTI COLORING BOOK CREATIVE ACTIVITIES FOR AGES 6 AND UP

- This book is about nothing. There is no point, or whatever little there is of it is very well hidden in the nonsense. I bought it based on the good reviews on Amazon, thinking that 300+ reviews could not be wrong. Bad mistake. Waste of time and money.
- Great story about a young girl on her way to find herself, and not only doing that but she finds a daughter, sister and love. Well done as usual, love the way Kingsolver writes. Reminds us to be much more considerate of others.
