Snuff Harper Collins

~Vimes ran a practised eye over the assortment before him. It was the usual Ankh-Morpork mob in times of crisis; half of them were here to complain, a quarter of them were here to watch the other half, and the remainder were here to rob, importune or sell hotdogs to the rest. Insurrection is in the air in Ankh-Morpork. The Haves and Have-Nots are about to fall out all over again. Captain Sam Vimes of the city's ramshackle Night Watch is used to this. It's enough to drive a man to drink. Well, to drink more. But this time, something is different " the Have-Nots have found the key to a dormant, lethal weapon that even they don't fully understand, and they're about to unleash a campaign of terror on the city. Time for Captain Vimes to sober up.

They say there are only two things you can count on ... But that was before DEATH started pondering the existential. Of course, the last thing anyone needs is a squeamish Grim Reaper and soon his Discworld bosses have sent him off with best wishes and a well-earned gold watch. Now DEATH is having the time of his life, finding greener pastures where he can put his scythe to a whole new use. But like every cutback in an important public service, DEATH's demise soon leads to chaos and unrest -- literally, for those whose time was supposed to be up, like Windle Poons. The oldest geezer in the entire faculty of Unseen University -- home of magic, wizardry, and big dinners -- Windle was looking forward to a wonderful afterlife, not this boring been-there-done-that routine. To get the fresh start he deserves, Windle and the rest of Ankh-Morpork's undead and underemployed set off to find DEATH and save the world for the living (and everybody else, of course).

Terry Pratchett's Discworld Colouring Book Hachette UK

Ben Aaronovitch's bestselling Rivers of London urban fantasy series • "The perfect blend of CSI and Harry Potter." —io9 • 2015 Locus Recommended Reading for Fantasy When two young girls go missing in rural Herefordshire, police constable and wizard-in-training Peter Grant is sent out of London to check that nothing supernatural is involved. It's purely routine—Nightingale, Peter's superior, thinks he'll be done in less than a day. But Peter's never been one to walk away from someone in trouble, so when nothing overtly magical turns up he volunteers his services to the local police, who need all the help they can get. But because the universe likes a joke as much as the next sadistic megalomaniac, Peter soon comes to realize that dark secrets underlie the picturesque fields and villages of the countryside and there might just be work for Britain's most junior wizard after all. Soon Peter's in a vicious race against time, in a world where the boundaries between reality and fairy have never been less clear....

Wintersmith Corgi

Eric calls up a demon to grant him three wishes - but what he gets is the Discworld's most incompetent wizard... Eric is the Discworld's only demonology hacker. The trouble is, he's not very good at it. All he wants is the usual three wishes: to be immortal, rule the world and have the most beautiful woman fall madly in love with him. The usual stuff. But what he gets is Rincewind, the Disc's most incompetent wizard, and Rincewind's Luggage (the world's most dangerous travel accessory) into the bargain. Terry Pratchett's hilarious take on the Faust legend stars many of the Discworld's most popular characters in an outrageous adventure that will leave Eric wishing once more - this time, quite fervently, that he'd never been born.

[The Discworld Almanak](#) Harper Collins

The New York Times bestselling author of the Discworld series delivers "fantasy with comedic flair" in his debut novel and first children's book (VOYA). In the beginning, there was nothing but endless

flatness. Then came the Carpet . . . That's the old story everyone knows and loves. But now the Carpet is home to many different tribes and peoples, and there's a new story in the making. The story of Fray, sweeping a trail of destruction across the Carpet. The story of power-hungry mounds—and of two brothers who set out on an adventure to end all adventures when their village is flattened. It's a story that will come to a terrible end—if someone doesn't do something about it. If everyone doesn't do something about it . . . First published in 1971, this hilarious and wise novel marked the debut of the phenomenal Sir Terry Pratchett. Years later, Sir Terry revised the work, and this special collectable edition includes the updated text, his original color and black-and-white illustrations, and an exclusive story—a forerunner to The Carpet People created by the seventeen-year-old nascent writer who would become one of the world's most beloved storytellers. "Only a writer with a masterstroke of imagination could place an entire empire of goodies and baddies within the fronds of a carpet."—Daily Mail "The perfect starting place for young readers; seasoned Pratchett fans will just revel in his wit, his subversion of tropes and his sense of humanity . . . Small in scale but large in pleasure."—Kirkus Reviews "Brilliantly funny dialogue, high peaks of imagination."—The Times

A Hat Full of Sky, The Wee Free Men, Wintersmith, I Shall Wear Midnight Penguin

When Tiffany Aching sets out to become a witch, she faces ominous foes and gains unexpected allies. As she confronts the Queen of Fairies and battles an ancient, bodiless evil, she is aided (and most ably abetted) by the six-inch-high, fightin', stealin', drinkin' Wee Free Men! Laugh-out-loud humor and breathtaking action combine in the books that launched the unforgettable adventures of a determined young witch and her tiny but fierce blue friends.

Sourcery Random House

From the New York Times bestselling author of *Tears We Cannot Stop*, a passionate call to America to finally reckon with race and start the journey to redemption. This eBook edition includes nine illustrations of George Floyd, Breonna Taylor and Emmett Till, among other victims of racial violence, by artist Everett Dyson. "Antiracist demonstrations have been like love notes to the martyrs of racist terror and anti-Blackness. Michael Eric Dyson writes out these love notes in this powerfully illuminating, heart-wrenching, and enlightening book. *Long Time Coming* is right on time." —Ibram X. Kendi, bestselling author of *How to Be an Antiracist* "Crushingly powerful, *Long Time Coming* is an unfiltered Marlboro of black pain." —Isabel Wilkerson, author of *Caste: The Origins of Our Discontents* "Formidable, compelling...has much to offer on our nation's crucial need for racial reckoning and the way forward." —Bryan Stevenson, author of *Just Mercy* The night of May 25, 2020 changed America. George Floyd, a 46-year-old Black man, was killed during an arrest in Minneapolis when a white cop suffocated him. The video of that night's events went viral, sparking the largest protests in the nation's history and the sort of social unrest we have not seen since the sixties. While Floyd's death was certainly the catalyst, (heightened by the fact that it occurred during a pandemic whose victims were disproportionately of color) it was in truth the fuse that lit an ever-filling powder keg. *Long Time Coming* grapples with the cultural and social forces that have shaped our nation in the brutal crucible of race. In five beautifully argued chapters—each addressed to a black martyr from Breonna Taylor to Rev. Clementa Pinckney—Dyson traces the genealogy of anti-blackness from the slave ship to the street corner where Floyd lost his life—and where America gained its will to confront the ugly truth of systemic racism. Ending with a poignant plea for hope, Dyson's exciting new book points the way to social redemption. *Long Time Coming* is a necessary guide to help America finally reckon with race.

Differently Morphous Orion Publishing Group

This collection includes all four Tiffany Aching novels in Terry Pratchett's beloved and bestselling Discworld series. The *Wee Free Men*: Armed with only a frying pan and her common sense, young witch-to-be Tiffany Aching must defend her home against the monsters of Fairyland. Luckily she has some very unusual help: the local Nac Mac Feegle—aka the Wee Free Men—a clan of fierce, sheep-stealing, sword-wielding, six-inch-high blue men. Together they must face headless horsemen, ferocious grimhounds, terrifying dreams come true, and ultimately the sinister Queen of the Elves herself. . . . *A Hat Full of Sky*: Tiffany Aching is ready to begin her apprenticeship in magic. She expects spells and magic—not chores and ill-tempered nanny goats! Surely there must be more to witchcraft than this! What Tiffany doesn't know is that an insidious, disembodied creature is pursuing her. In the end, it will take all of Tiffany's inner strength to save herself ... if it can be done at all. *Wintersmith*: When the Spirit of Winter takes a fancy to Tiffany Aching, he wants her to stay in

his gleaming, frozen world. Forever. It will take the young witch's skill and cunning, as well as help from the legendary Granny Weatherwax and the irrepressible Wee Free Men, to survive until Spring. Because if Tiffany doesn't make it to Spring—Spring won't come. *I Shall Wear Midnight*: As the witch of the Chalk, Tiffany Aching performs the distinctly unglamorous work of caring for the needy. But someone—or something—is inciting fear, generating dark thoughts and angry murmurs against witches. Tiffany must find the source of unrest and defeat the evil at its root. Aided by the tiny-but-tough Wee Free Men, Tiffany faces a dire challenge, for if she falls, the whole Chalk falls with her. . .

Rincewind the Wizzard Harper Collins

'No one mixes the fantastical and mundane to better comic effect or offers sharper insights into the absurdities of modern endeavour' Daily Mail The Discworld is very much like our own - if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle, that is . . . Fairy godmothers develop a very deep understanding about human nature, which makes the good ones kind and the bad ones powerful. Inheriting a fairy godmother role seemed an easy job . . . After all, how difficult could it be to make sure that a servant girl doesn't marry a prince? Quite hard, actually, even for the witches Granny Weatherwax, Nanny Ogg and Magrat Garlick. That's the problem with real life - it tends to get in the way of a good story, and a good story is hard to resist. Servant girls have to marry the prince, whether they want to or not. You can't fight a Happy Ending, especially when it comes with glass slippers and a rival Fairy Godmother who has made Destiny an offer it can't refuse. _____ The Discworld novels can be read in any order but *Witches Abroad* is the third book in the *Witches* series.

A Novel of Discworld Houghton Mifflin Harcourt

Twoflower was a tourist, the first ever seen on the Discworld. Tourist, Rincewind decided, meant idiot. Somewhere on the frontier between thought and reality exists the Discworld, a parallel time and place which might sound and smell very much like our own, but which looks completely different. It plays by different rules. Certainly it refuses to succumb to the quaint notion that universes are ruled by pure logic and the harmony of numbers. But just because the Disc is different doesn't mean that some things don't stay the same. Its very existence is about to be threatened by a strange new blight: the arrival of the first tourist, upon whose survival rests the peace and prosperity of the land. But if the person charged with maintaining that survival in the face of robbers, mercenaries and, well, Death is a spectacularly inept wizard, a little logic might turn out to be a very good idea...

The Colour of Magic Harper Collins

'Some people would be asking: whose side are you on? If you're not for us, you're against us. Huh. If you're not an apple, you're a banana' Koom Valley, the ancient battle where the trolls ambushed the dwarfs, or the dwarfs ambushed the trolls, was a long time ago. But if he doesn't solve the murder of just one dwarf, Commander Sam Vimes of Ankh-Morpork City Watch is going to see it fought again, right outside his office. With his beloved Watch crumbling around him and war-drums sounding, he must unravel every clue, outwit every assassin and brave any darkness to find the solution. And

darkness is following him. Oh . . . and at six o'clock every day, without fail, with no excuses, he must go home to read 'Where's My Cow?', with all the right farmyard noises, to his little boy. There are some things you have to do.

Witches Abroad Harper Collins

On A World Supported On The Back Of A Giant Turtle (Sex Unknown), A Gleeful, Explosive, Wickedly Eccentric Expedition Sets Out. There S An Avaricious Buy Inept Wizard, A Naïve Tourist Whose Luggage Moves On Hundreds Of Dear Little Legs, Dragons Who Only Exist Ifyou Believe In Them, And Of Course The Edge Of The Planet&

[The Colour of Magic](#) Canongate Books

ALA Best Fiction for Young Adults * ALA Booklist Editors' Choice * ALA Notable Children's Book "Pratchett's unique blend of comedy and articulate insight is at its vibrant best. Full of rich humor, wisdom, and eventfulness." —Horn Book (starred review) By beloved and bestselling Terry Pratchett, this is the third in a series of Discworld novels starring the young witch Tiffany Aching. When the Spirit of Winter takes a fancy to Tiffany Aching, he wants her to stay in his gleaming, frozen world. Forever. It will take all the young witch's skill and cunning, as well as help from the legendary Granny Weatherwax and the irrepressible Wee Free Men, to survive until Spring. Because if Tiffany doesn't make it to Spring, Spring won't come for anyone.

[The New Discworld Companion](#) Random House

SAYING IT WITH FROZEN ROSES AND ICEBERGS . . . Tiffany Aching leaps into a dance - and suddenly the spirit of winter is in love with her. He's showering her with snowflakes and offering her a crown of ice - which is creepy, but also just a little bit . . . cool. Now she's dancing to his tune. She can't change the steps. But unless Tiffany can work out how to deal with the Wintersmith, there will never be another springtime . . . FROM MASTER STORYTELLER TERRY PRATCHETT

Equal Rites Anchor

Terry Pratchett's profoundly irreverent, bestselling novels have garnered him a revered position in the halls of parody next to the likes of Mark Twain, Kurt Vonnegut, Douglas Adams, and Carl Hiaasen. In *Equal Rites*, a dying wizard tries to pass on his powers to an eighth son of an eighth son, who is just at that moment being born. The fact that the son is actually a daughter is discovered just a little too late.

Equal Rites Corgi Books

This collection includes all five Tiffany Aching novels in Terry Pratchett's beloved and bestselling Discworld series, including the final Discworld novel, *The Shepherd's Crown*. *The Wee Free Men*: Armed with only a frying pan and her common sense, young witch-to-be Tiffany Aching must defend her home against the monsters of Fairyland. Luckily she has some very unusual help: the local Nac Mac Feegle—aka the Wee Free Men. *A Hat Full of Sky*: Tiffany Aching is ready to begin her apprenticeship in magic. She expects spells and magic—not chores and ill-tempered nanny goats! Surely there must be more to witchcraft than this! Indeed, there is. . . *Wintersmith*: When the Spirit of Winter takes a fancy to Tiffany Aching, he wants her to stay in his gleaming, frozen world. Forever. It will take the young witch's skill and cunning, as well as help from the legendary Granny Weatherwax and the irrepressible Wee Free Men, to survive until Spring. *I Shall Wear Midnight*: As the witch of the Chalk, Tiffany Aching performs the distinctly unglamorous work of caring for the needy. But someone—or something—is inciting fear, generating dark thoughts and angry murmurs

against witches. Tiffany must find the source of unrest and defeat the evil at its root, for if she falls, the whole Chalk falls with her. . . . The Shepherd's Crown: Deep in the Chalk, something is stirring. The owls and the foxes can sense it, and Tiffany Aching feels it in her boots. An old enemy is gathering strength. This is a time of endings and beginnings, old friends and new, a blurring of edges and a shifting of power. Now Tiffany stands between the light and the dark, the good and the bad. There will be a reckoning. . . .

Foxglove Summer Harper Collins

'They say that a little knowledge is a dangerous thing, but it is not one half so bad as a lot of ignorance.' Everybody knows there's no such thing as a female wizard. So when the wizard Drum Billet accidentally passes on his staff of power to an eighth daughter of an eighth son, a girl called Eskarina (Esk, for short), the misogynistic world of wizardry want nothing to do with her. Thankfully Granny Weatherwax, the Discworld's most famous witch, has plenty of experience ignoring the status quo. With Granny's help, Esk sneaks her way into the magical Unseen University and befriends apprentice wizard Simon. But power is unpredictable, and these bright young students soon find themselves in a whole new dimension of trouble. Let the battle of the sexes begin . . . 'If you've never read a Discworld novel, what's the matter with you?' Guardian 'Pratchett uses his other world to hold up a distorting mirror to our own' The Times Equal Rites is the first book in the Witches series, but you can read the Discworld novels in any order.

5 Books Random House

"Pratchett . . . has a satirist's instinct for the absurd and a cartoonist's eye for the telling detail." —Daily Telegraph (London) "The purely funniest English writer since Wodehouse." —Washington Post Book World Sam Vimes, watch commander of Ankh-Morpork, is at long last taking a much-needed (and well deserved) vacation. But, of course, this is Discworld®, where nothing goes as planned—and before Vimes can even change his cardboard-soled boots for vacationer's slippers, the gruff watch commander soon finds himself enmeshed in a fresh fiasco fraught with magic, cunning, daring, and (for the reader more than for poor Vimes) endless hilarity. Did he really expect time off?

As Vimes himself says in *Feet of Clay*, "there's some magical creature called 'overtime,' only no one's even seen its footprints." Following the New York Times bestselling *Unseen Academicals*, Terry Pratchett delivers an enthralling new tale from a place of insuperable adventure: Discworld. Discworld® is a registered trademark.

REVIEW OF EQUAL RITES DISCWORLD NOVEL 3 DISCWORLD NOVELS

- I am amazed at how much attention this book has received when much of the information presented here has already been discussed before in various settings. Greg Easterbrook's 800-page book "A Moment on the Earth" and the late Julian Simon's "The Ultimate Resource" among others. The Cornucopian and celebratory view presented here and the equally self-righteous criticism by some environmentalists is disturbing. There needs to be a more reasoned way to approach this topic and alas both sides are too polarized to do justice to the issues at hand. The biggest problem with Lomborg is his equivocation under the pretense of objectivity. While environmentalists may be accused of the same, they tend to predicate their perspectives on morally premised relativism and are thus more humble about the human perception of nature. Like good insurance evaluators, we should rather err on the side of humility and caution in the face of vastly complex environmental phenomenon rather than be skeptical and dismissive about risks that we don't fully comprehend.

- A must read for every person still interested in rational and critical thinking. Based on official statistics by the United Nations and government agencies, the author presents a holistic view of the state of the world. Whilst he does not neglect to highlight where there is still room for improvement, he makes it clear that we are living in a world as good as it ever existed. Lomborg, statistician by training started out as a convinced Greenpeace member who wanted to rebut the claims of a "conservative" economist claiming that environmental associations try to paint too bleak a picture of our present life. In the process of his investigations, Lomborg transformed into one of the most well-known political scientists who persistently argues to adopt a more balanced view of the main problems faced by our society.
