REVIEW OF PSYCHOLOGY IN ACTION KAREN HUFFMAN 10TH EDITION

- I am a huge fan of Buffy the vampire slayer and i would just like to say that this book totally rocks! I did see all of the episodes that were in this but i personally think that the book is better cuz it's more detailed and stuff. Once i started reading i just couldn't stop-it's totally cool! if u love buffy and Angel and the rest of the gang, be sure to Buy it!

- This book was suggested for me to read by a friend of mine. She knew the wicked books that I have read very recently. At first, I did not want to read it, but after I read the cover of the book I was hooked. The opening pages were very interesting, I was going into the book not knowing what to expect and I was very shocked. The scene I most thoroughly enjoyed was the carousel. Most people would think that it is a very wicked part but I really enjoyed it. Most of the book was very disturbing and that they did not know what they had gotten themselves into. I really enjoyed the book.
